## *NOTICE OF DISCONTINUANCE*

### **BioConnect Enterprise Support for BCE 4.7**

---

As part of continued efforts to streamline our software support and provide the best experience for our customers, BioConnect, will be ending all support for BioConnect Enterprise Software Version **4.7** from November 30<sup>th</sup>, 2022. Note that all BioConnect Enterprise versions older than 4.7 already had been discontinued as of June 30<sup>th</sup>, 2021. All customers on BCE versions 4.7 and older are requested to upgrade to higher versions.

Please check for our end of support notices at <https://support.bioconnect.com/s/>

We thank our partners and customers for their support and understanding. For further clarifications or questions, please reach out to your account manager or our customer support.
